The Life Cycle Of A Project

- How Does A Project Become A Project?
- Most Projects Are Not Created By The NCDOT
- Most Projects Originate From The CRTPO
- The NCDOT Delivers Projects Which The CRTPO Has Established As Their Priority

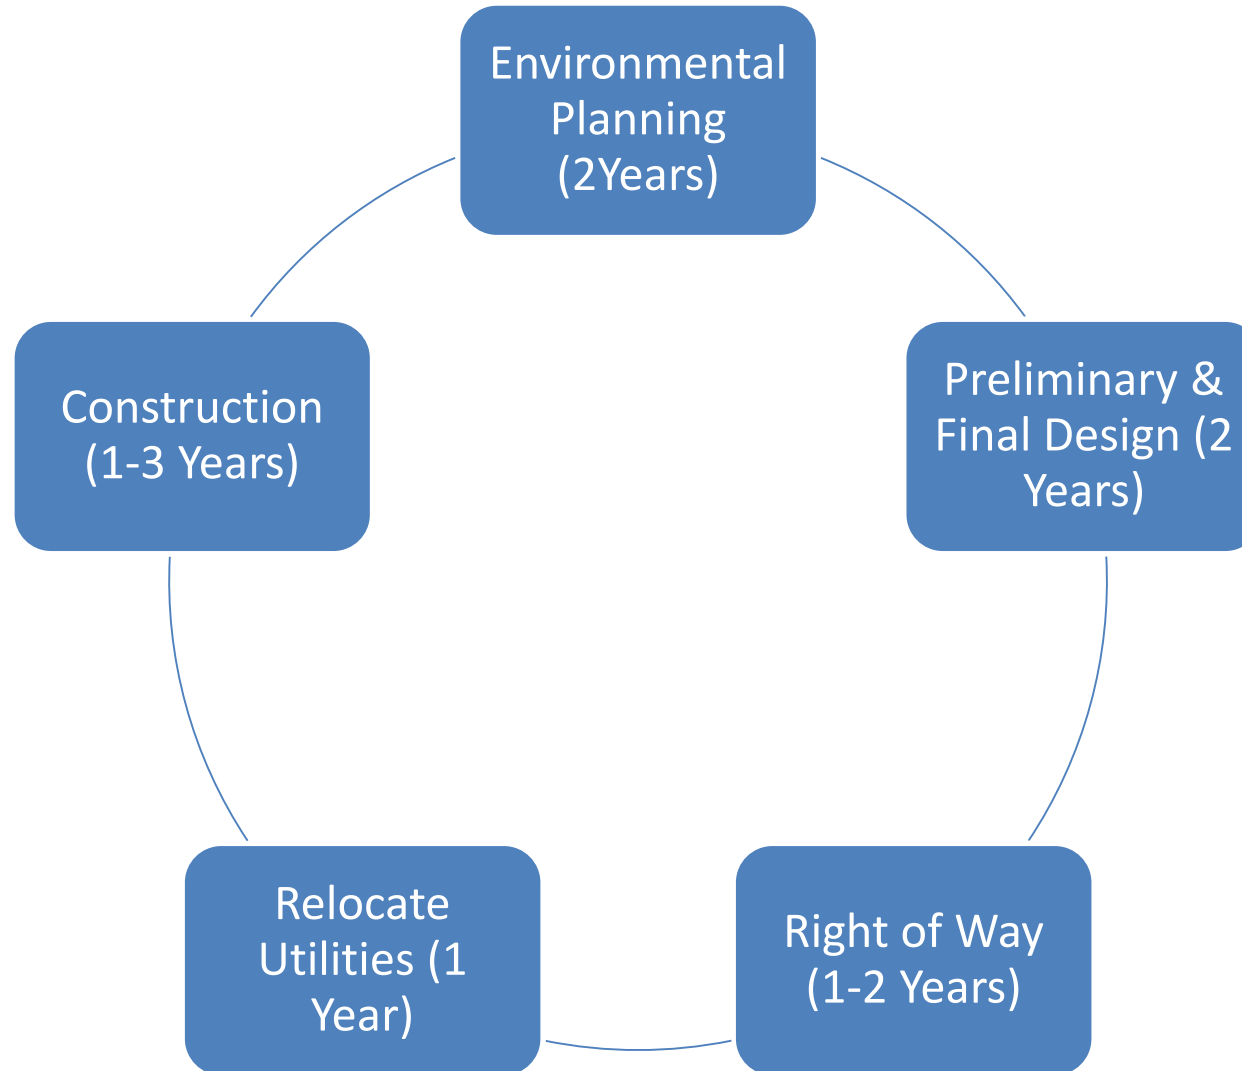

The Life Cycle Of A Project

- Candidate Projects Are Created In Response To A Recognized Pattern
- Typical Patterns Include Recurring Congestion Or A Crash Problem
- Candidate Projects Can Be Submitted To The CRTPO By Either Town Staff Or Elected Officials
