

| Date | Location | Board topic | Sticker added | Input |
|-------|----------|-------------|---------------|---|
| 5-Jun | DTH | Active | | Recreation to complement gym and P&R activities |
| 5-Jun | DTH | Active | | Programming for after school children |
| 5-Jun | DTH | Active | | Town recreation dept gives pickle ball lessons. Let's have courts to make available for those who learn to play. |
| 5-Jun | DTH | Active | | Field is multipurpose |
| 5-Jun | DTH | Active | | Connect with the gym in concept. Fields for kids/adults to play in this part of town. |
| 5-Jun | DTH | Active | | Love the idea of a nature preserve and play field |
| 5-Jun | DTH | Active | | Create a draw that's an alternative to CVS, after school kids' needs |
| 5-Jun | DTH | Active | | With the gymnasium renovations adjacent to this space, would love to see the area used for similar/community purpose. Especially great to draw people to the area of the new town hall so that it feels truly integrated in the town. |
| 5-Jun | DTH | Active | | It would be disruptive to neighbors to have constant pickle ball noise. |
| 5-Jun | DTH | Active | | Bocce ball courts are found in many lovely small parks in Europe. They fit with the "natural" look of the space. The courts really are available for play for <u>all</u> ages! |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|---|
| 5-Jun | DTH | Active | | w/hours (daylite). Free play areas in <u>walking distance</u> for the local elementary school is needed. The town green is over capacity for the children who frequent & need open rec space. |
| 12-Jun | Hopewell | Active | | There are plenty of playing fields at D k-8 so no need for any here, so close to D k-8 |
| 12-Jun | Hopewell | Active | | Let us leave something our children will thank us for: trees/a park a recreation field open space to play in |
| 12-Jun | Hopewell | Active | | There was a perfectly level field just below the gym that was completely dug up for no reason I can see. If you want a rectangular field too bad you didn't leave the first one alone. |
| 12-Jun | Hopewell | Active | | Behind the gym it was not a good idea to leave a huge dirt pile. Why not have someone haul it away. Why? |
| 12-Jun | Hopewell | Active | | Pickleball not suited for neighborhoods that are established. Outside the city limits. |
| 22-Jun | Ada Jenkins | Active | | I am not in favor of this option. Our town's mission statement would appear to me to lean toward using this land as affordable housing |
| 22-Jun | Ada Jenkins | Active | | Not in favor of any of these - affordable houses are desperately needed to prevent more gentrification |
| 25-Jun | DTH | Active | | Tennis courts |
| 25-Jun | DTH | Active | | I think that preserving the field for active/passive recreation makes some sense |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 25-Jun | DTH | Active | | I would appear that much of the "active" recreation would be taken care of by the gymnasium renovation. Keep the outdoor area simple as a multiuse rectangular field |
| 25-Jun | DTH | Active | | Horseshoe pits super easy to do. Roller hockey court would be great |
| 25-Jun | DTH | Active | | Just below the gym there's a flat place |
| 25-Jun | DTH | Active | | Davidson center has no resource for an open field other than this. Hundreds (especially younger ones) would benefit by preserving as an open sports/recreation field. Even families. |
| 5-Jun | DTH | Affordable | | I am not opposed to Green Housing. I am opposed to it being built on the existing woods or jeopardizing the woods |
| 5-Jun | DTH | Affordable | | This site is ideally located for affordable housing! We should build as many townhomes here as possible. Davidson has plenty of trees - we don't have near enough affordable homes. |
| 5-Jun | DTH | Affordable | | Preserve the nature! But utilize other areas owned by Davidson that are already developed for much needed affordable housing. |
| 5-Jun | DTH | Affordable | | Could Davidson Community Players be part of this space and Armour St Theater land could be used for affordable housing? |
| 5-Jun | DTH | Affordable | | Build affordable housing on lots that have already been paved over and not developed. <u>NOT</u> on this site. <u>Do not</u> clear cut a beautiful, ecologically valuable forest for development. |
| 5-Jun | DTH | Affordable | | Maybe a line of town houses on one perimeter side. |

| Date | Location | Board topic | Sticker added | Input |
|-------|----------|-------------|---------------|---|
| 5-Jun | DTH | Affordable | | Infrastructure too expensive for this - elevation change is extreme - sewage lift station \$ |
| 5-Jun | DTH | Affordable | | Please preserve the nature. |
| 5-Jun | DTH | Affordable | | Housing would spoil the natural setting. |
| 5-Jun | DTH | Affordable | | No more houses. Leave as open space. Please! |
| 5-Jun | DTH | Affordable | | No housing. Incongruent use of the space. |
| 5-Jun | DTH | Affordable | | No housing of any kind. No cutting of trees, leave this as a natural area for trails, conservation. There is a proliferation of building here already. |
| 5-Jun | DTH | Affordable | | Let's keep this space natural |
| 5-Jun | DTH | Affordable | | The town owns several <u>more suitable</u> parcels on which to build affordable housing. Putting houses, roads, cars and lights on this property would forever damage the ecology here. Let's do right by the environment, friends! |
| 5-Jun | DTH | Affordable | | Affordable housing = environmental protection. Folks can walk, bike, bus to work. Housing can be smaller & more energy efficient, even including solar panel, batteries, & EV charging stations. We need more bungalows & multi family housing! |
| 5-Jun | DTH | Affordable | | Preserve natural land. Focus AH in areas that are already developed. Yes, we need more AH <u>and</u> we need to preserve open space, wildlife habitat, etc! |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 5-Jun | DTH | Affordable | | Use existing structures. There is <u>no need</u> to clear cut ecologically valuable forest. We can have <u>both</u> - affordable housing and environmental health. We do not need new roads, lights, concrete, nightmare parking, and square footage of roofs. |
| 12-Jun | Hopewell | Affordable | | This space isn't suitable for building anything on, let alone houses. This is town land and should be used for all town folk. |
| 12-Jun | Hopewell | Affordable | | How many trees would have to be cut down for a <u>developer</u> to build??? |
| 12-Jun | Hopewell | Affordable | | Survey misrepresents AH option. It implies town would build AH on land, if this option was selected. That is <u>not</u> the case. Town's action would be to sell land to developer to build AH, using deed restriction. So, town would not actually be using land for town residents use. |
| 12-Jun | Hopewell | Affordable | | <u>None</u> of these (with arrow pointing to the AH options on the board) |
| 12-Jun | Hopewell | Affordable | | Why do only the affordable housing people benefit for area that was specified to be for the entire town. A wildlife trail that is already established is good for ALL |
| 12-Jun | Hopewell | Affordable | | Saw 5 deer in my back yard the other night!!! DON" T DO THIS!!! |
| 12-Jun | Hopewell | Affordable | | Use existing developed space... <u>please</u> do not cut down forest. We do not need more concrete and roads. Environmental protection and affordable can coexist. |
| 12-Jun | Hopewell | Affordable | | Let's build affordable housing on town-owned parcels of land that have <u>already</u> been paved over and developed. It doesn't make sense to clear cut a forest to build affordable housing or a parking lot. Preserve the <u>tree canopy</u> ! |
| 12-Jun | Hopewell | Affordable | | This is the last green space in Davidson. It would be a crime to build on it. Think about your new climate initiative. |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|--|
| 12-Jun | Hopewell | Affordable | | Move low cost housing to Cornelius. Mayor says low cost housing will be apt's here. Ridiculous! |
| 12-Jun | Hopewell | Affordable | | Selling land for AH would irrevocably deny town use of this land for any future use/purpose. That is <u>not</u> appropriate or satisfactory. Land is a finite resource. Must use it to benefit majority of residents; <u>not</u> just AH owners/renters. |
| 12-Jun | Hopewell | Affordable | | No! Never |
| 12-Jun | Hopewell | Affordable | | This land should be preserved for all people & wildlife - do not build on this land |
| 12-Jun | Hopewell | Affordable | | Just say <u>no</u> to more houses. Keep the peace! |
| 12-Jun | Hopewell | Affordable | | Town should take advantage of infill opportunities, but not too dense. Must also preserve green space. |
| 12-Jun | Hopewell | Affordable | | I believe there are much better places in town - This land has much more resource value |
| 12-Jun | Hopewell | Affordable | | For other community building |
| 22-Jun | Ada Jenkins | Affordable | | Better alternatives to building in a natural area!!! |
| 22-Jun | Ada Jenkins | Affordable | | If it is housing, could native plants be a part of the landscaping? |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|--|
| 22-Jun | Ada Jenkins | Affordable | | Whatever kind of building that can maximize the space to <u>affordably</u> house folks. |
| 22-Jun | Ada Jenkins | Affordable | | Consider buying the adjacent land to have a big parcel to develop more affordable housing. |
| 22-Jun | Ada Jenkins | Affordable | | Love natural spaces & trees, but I can't accept homelessness for those most vulnerable in Davidson. We must maximize the largest town tract for housing and especially for seniors & <50% AMI. |
| 22-Jun | Ada Jenkins | Affordable | | Affordable housing is such a critical need - density is imperative to meet this need. |
| 22-Jun | Ada Jenkins | Affordable | | Will this be another Bungalow fiasco??? |
| 22-Jun | Ada Jenkins | Affordable | | Only developer will benefit from this idea!!! |
| 22-Jun | Ada Jenkins | Affordable | | Consider knocking down the gym and creating even more affordable housing. |
| 25-Jun | DTH | Affordable | | The town needs a comprehensive, long-term plan for affordable housing so that adjacent property owners know what they are getting into when they buy. Answering the affordable housing question one lot at a time is not a great answer. |
| 25-Jun | DTH | Affordable | | Developer will profit by this!!! |
| 25-Jun | DTH | Affordable | | Will this turn into another "Bungalows" fiasco??? |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 25-Jun | DTH | Affordable | | The Bungalows are a successful example of affordable housing! But I like the idea of "for sale" skinny houses. 10 can fit on the lot - facing the new street/ped walk. |
| 25-Jun | DTH | Affordable | | Let's put affordable housing on parcels of land ready for development. This land behind the gym isn't suitable to build on. It's a natural setting, there is a stream running through it, there isn't a road. |
| 25-Jun | DTH | Affordable | | More construction, more building? This neighborhood has withstood a lifetime of destruction, disruption and devastation. Let's build housing on parcels that are meant for housing, not here. |
| 25-Jun | DTH | Affordable | | Connection of Hillside to Cathey would be a useful connection - then affordable housing could have garages under. |
| 25-Jun | DTH | Affordable | | Townhomes would work great on this site |
| 25-Jun | DTH | Affordable | | Affordable housing on this parcel would mean the Hillside/Cathey cut through is made permanent. Should the cut-through question be addressed separately? I think the cut-through has been part of the town plan since 2000 when I bought on Hillside. |
| 25-Jun | DTH | Affordable | | Is it possible to have affordable housing <u>AND</u> natural play spaces or rec fields? That would be ideal. |
| 25-Jun | DTH | Affordable | | Don't destroy animal habitats for concrete. |
| 25-Jun | DTH | Affordable | | So few green spaces in center of Davidson, I would prefer preserving those because they are limited in number, a precious resource, and avoiding developing for housing or buildings. |
| 25-Jun | DTH | Affordable | | There is no infrastructure to support this in on Cathey St & South St. There are better places for AH. |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|--|
| 25-Jun | DTH | Affordable | | Is there affordable housing in River Run? |
| 25-Jun | DTH | Affordable | | Can fit 10 townhouses facing new street/ped way. |
| 25-Jun | DTH | Affordable | | We need affordable housing everywhere possible!!! |
| 25-Jun | DTH | Affordable | | What does Davidson have against trees? |
| 25-Jun | DTH | Affordable | | The lack of affordable housing in Dav is a huge problem for the town. This is a rare opportunity to use town land to address it!! |
| 25-Jun | DTH | Affordable | | I would like to see "Bungalows" style housing to connect Cathey & Hillside developed to the extent possible to preserve some of the greenspace at the back of the property. |
| 5-Jun | DTH | Gym | | A place for the Davidson Community Players so they can remain in Davidson |
| 5-Jun | DTH | Gym | | Include accommodation for Davidson Community Players |
| 5-Jun | DTH | Natural | | Keep area natural for the wildlife!!! Love to hear owls & toads at night on my back porch!!! |
| 5-Jun | DTH | Natural | | Opossum, raccoon, deer, groundhog, box turtle, barred owls, eastern King snake, chipmunk, skunk, trillium, oak, tulip poplar, luna moths, black rat snake, woodpeckers, Carolina wrens, titmice, red fox... etc. Home. |

| Date | Location | Board topic | Sticker added | Input |
|-------|----------|-------------|---------------|--|
| 5-Jun | DTH | Natural | | Let's support one of the last remaining forests and wildlife habitats in the downtown Davidson area. <u>Preserve</u> this beautiful forest and diverse ecosystem. |
| 5-Jun | DTH | Natural | | Highest priority for me is to preserve and restore the woods. The best could be a combination of natural area and passive recreation. |
| 5-Jun | DTH | Natural | | Looks a lot like the new Beaty St Park to me. |
| 5-Jun | DTH | Natural | | I support & encourage DLC's plan |
| 5-Jun | DTH | Natural | | Would love to maintain a natural area that can be accessible for entire community with trails, benches, etc. So much beauty to be shared here. |
| 5-Jun | DTH | Natural | | Ecological preservation. The area has lots of mature trees, dozens of species of animals and birds, and serves as a vital system for the health of the stream. This is <u>not</u> an empty space or a blank area on a map. "GREEN DAVIDSON" should mean something! |
| 5-Jun | DTH | Natural | | An area reserved for the wildlife |
| 5-Jun | DTH | Natural | | Walking path with explanatory signs about plants/animals to be spotted |
| 5-Jun | DTH | Natural | | Make opportunity for people to experience natural beauty - nature preserve with native plantings, even as demonstration garden - educational opportunity |
| 5-Jun | DTH | Natural | | Sculpture garden in natural area would be classy |

| Date | Location | Board topic | Sticker added | Input |
|-------|----------|-------------|---------------|---|
| 5-Jun | DTH | Natural | | No new roads or bright lights! Save natural space while we can. |
| 5-Jun | DTH | Natural | | Senses garden might be good |
| 5-Jun | DTH | Natural | | Ever Hear of nature deficit disorder? We're all suffering from it - especially our children. Keep this area natural, alive and open to the public. |
| 5-Jun | DTH | Natural | | With coming heat extremes, it would be counterintuitive to cut the town of Davidson's trees. Save these trees. The birds love it! And we do too! |
| 5-Jun | DTH | Natural | | Noise free zone |
| 5-Jun | DTH | Natural | | Maintain a natural area for wildlife walk path to observe nature. Benches for meditation. |
| 5-Jun | DTH | Natural | | Meditation labyrinth |
| 5-Jun | DTH | Natural | | Lots of us value eco-preservation but preserving this area prohibits affordable housing development, when elsewhere in town, trees are cut down for million \$\$ homes. Affordable housing in walking distance = environmental protection |
| 5-Jun | DTH | Natural | ***** | Botanical garden |
| 5-Jun | DTH | Natural | | Leave alone insofar as possible, the "wild" slope to the creek. |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 5-Jun | DTH | Natural | | Keep the space natural. Please do not cut down any more trees. |
| 5-Jun | DTH | Natural | | I love preserving the natural beauty |
| 5-Jun | DTH | Natural | | Allow the children of the town to experience a natural area |
| 5-Jun | DTH | Natural | | Leave it <u>natural</u> . Give non-humans a chance to thrive. |
| 5-Jun | DTH | Natural | | Use polinator garden to line meditation labyrinth path |
| 5-Jun | DTH | Natural | | Preserve the green space & trees |
| 5-Jun | DTH | Natural | | Small pocket parks & pavillions |
| 5-Jun | DTH | Natural | | Preserve the woods and green space - Davidson is supposed to be a tree city! |
| 12-Jun | Hopewell | Natural | | It's a perfect spot for familieswith children to explore nature, play in a playground & a quiet place to reflect |
| 12-Jun | Hopewell | Natural | | <u>Must</u> conserve tree canopy and natural wildlife area. Pollinator garden would be great for open space area. |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 12-Jun | Hopewell | Natural | | Keep it a natural area. Let the plants & animals continue to have home/habitats. Let nature win for once! Take care of living organisms <u>currently</u> living in Davidson. |
| 12-Jun | Hopewell | Natural | | A safe place for the animals |
| 12-Jun | Hopewell | Natural | | We need to keep some green space in downtown Davidson. |
| 12-Jun | Hopewell | Natural | | This is already a <u>natural area</u> , so we should save money and nature at the same time! <u>Mature</u> trees are very effective carbon sinks! |
| 12-Jun | Hopewell | Natural | | There is already a wildlife (path) corridor. Where are the wildlife to go. It would save some cash |
| 12-Jun | Hopewell | Natural | | Preserve the shade to cool older town and give us in towners a shaded place to walk. We love trees! (drawings of trees) |
| 12-Jun | Hopewell | Natural | | It is <u>VITAL</u> to preserve one of the last remaining forests and wildlife corridors in the downtown Davidson area. Let's conserve & preserve this beautiful and natural parcel of land for current and future generations. Children need fresh air, shade and <u>nature</u> ! |
| 12-Jun | Hopewell | Natural | | Some of last natural space in Davidson. Lets use it wisely to support the most people in community. |
| 12-Jun | Hopewell | Natural | | There are many old/mature trees and lots of animals already living here. It is not "unused" or "open" or "blank" space. Protect the ecology and environment in Davidson, please! ...particularly close to downtown where it is dearly needed. |
| 12-Jun | Hopewell | Natural | | We are running out of natural, green, alive spaces in Davidson. To do anything other than preserving & conserving the land here would be to contribute to climate change. Think about it. |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|--|
| 12-Jun | Hopewell | Natural | | For our children and grandchildren we have a duty to protect our natural heritage. We are in a wildlife extinction crisis, so we must preserve our last natural areas. |
| 12-Jun | Hopewell | Natural | | Deer and wildlife use this as a corridor. I have a baby deer in my neighbors house. Needs to stay natural. Has the NC Dept of Nature involved. |
| 12-Jun | Hopewell | Natural | | Not enough nature parks and areas in Davidson. GET WITH IT |
| 12-Jun | Hopewell | Natural | | Preserve nature! |
| 22-Jun | Ada Jenkins | Natural | | If the choice is between maintaining ideal tree canopy or needing a 6+ figure salary to live in Davidson - down with the trees. |
| 22-Jun | Ada Jenkins | Natural | | This area would be a great space for the K8 ids to come after school instead of hanging out downtown and having to cross Chairman Blake and Main Street |
| 22-Jun | Ada Jenkins | Natural | | This is the last green space in town. It should be protected. |
| 22-Jun | Ada Jenkins | Natural | | We need to preserve the green spaces near the town to retain the character of Davidson. Roads in this area will not support additional traffic. |
| 22-Jun | Ada Jenkins | Natural | | This area would fit nicely with the gym for parks and rec activities |
| 22-Jun | Ada Jenkins | Natural | | All natural areas with gardens. No concrete |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|---|
| 22-Jun | Ada Jenkins | Natural | | I'd like to see dense affordable housing surrounded by natural areas/edible garden |
| 22-Jun | Ada Jenkins | Natural | | These 2 acres are a gem to have in the center of our town. Keeping them natural will be in the best interest of ecology and a joy to all who visit. |
| 22-Jun | Ada Jenkins | Natural | | Natural walk. *Single family unit. |
| 22-Jun | Ada Jenkins | Natural | | Not in favor of any of these - in favor of building more single family affordable homes. |
| 22-Jun | Ada Jenkins | Natural | | I am not in favor of this. My preference is affordable housing. |
| 22-Jun | Ada Jenkins | Natural | | Native plants please |
| 22-Jun | Ada Jenkins | Natural | | We need a natural area (public) in this area |
| 22-Jun | Ada Jenkins | Natural | | We need to maintain at least a small amount of green space |
| 25-Jun | DTH | Natural | | Maintain open spaces |
| 25-Jun | DTH | Natural | | Natural area and the Hillside/Cathey cut through are not in conflict with each other. The cut-through is needed by residents of Hillside Drive who have problems with trucks traffic trying to turn around <u>daily</u> ! It gives cars a route out of Davidson without going on Main Street. |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 25-Jun | DTH | Natural | | Nature is <u>God</u> |
| 25-Jun | DTH | Natural | | Nature preserve on east side of new street/ped way |
| 25-Jun | DTH | Natural | | We are losing all the pervious surface in downtown those of who live in a low areas cannot control the excess runoff without a sewer & drain/gutter system |
| 25-Jun | DTH | Natural | | Protect most valuable parts of wildlife corridor, and build affordable housing on the rest. |
| 25-Jun | DTH | Natural | | Yes to trees, no to houses. |
| 25-Jun | DTH | Natural | | We want butterfly garden because we LOVE butterflies & they are so beautiful! (age 5) |
| 25-Jun | DTH | Natural | | Enough houses have been built. Needs to be left natural! |
| 25-Jun | DTH | Natural | | Some neighbors on Woodlawn saw the birth of a fawn recently. I would have deer lose more habitat |
| 25-Jun | DTH | Natural | | Keep the back natural w/ affordable housing on the rest |
| 25-Jun | DTH | Natural | | There are lots of Davidson on which new homes, condos and housing in general are being built. Preserve space - when it's gone, it will never be there any longer. |

| Date | Location | Board topic | Sticker added | Input |
|--------|----------|-------------|---------------|---|
| 25-Jun | DTH | Natural | | Dear Davidson, This beautiful, verdant, alive, natural setting is a gift, an asset to us all. We need to preserve it. We need to nurture it. This is town-owned to be used by town people. Keep Davidson green. It's written in the core values, right? |
| 25-Jun | DTH | Natural | | The hillside utility extension splits the site. -East of there could be nature preserve (town to build on). -West of there would be a great affordable housing site & we very much need those!!! |
| 25-Jun | DTH | Natural | | This feedback/information session would be more helpful if it included a large Davidson map showing where the natural spaces are and where current affordable housing is located. It would make it easier to see how <u>all</u> residents are sharing these two important issues. |
| 5-Jun | DTH | Passive | | Quiet recreation and seating to support the renovated gym. Small gathering spaces |
| 5-Jun | DTH | Passive | | Pavillions for community gathering |
| 5-Jun | DTH | Passive | | Small group meeting spaces |
| 5-Jun | DTH | Passive | | Pavillions for gatherings |
| 5-Jun | DTH | Passive | | Gathering spaces |
| 5-Jun | DTH | Passive | | Splash park |
| 5-Jun | DTH | Passive | | The Knox Ct playground is such a success. Perhaps another one for the larger (older) children. Thinking of future growth. Maintain quality of playgrounds |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|---|
| 5-Jun | DTH | Passive | | Traffic Garden (Vision Zero) |
| 5-Jun | DTH | Passive | | We have plenty of picnic tables and playgrounds in the area. Let's have affordable housing with a community garden! |
| 12-Jun | Hopewell | Passive | | Shade & trees in area close to gym |
| 12-Jun | Hopewell | Passive | | What should be our legacy to the next generations? Shade trees as climate warms |
| 12-Jun | Hopewell | Passive | | Seems like this would serve many folks in the community |
| 12-Jun | Hopewell | Passive | | Community Garden should be south of the Pump House - not Town Hall |
| 12-Jun | Hopewell | Passive | | Passive, protected wildlife corridor at rear of property |
| 22-Jun | Ada Jenkins | Passive | | What a perfect place for a nature park! |
| 22-Jun | Ada Jenkins | Passive | | Not in favor of any of these - we need more affordable houses (single family) |
| 22-Jun | Ada Jenkins | Passive | | I am not in favor of this use. I would prefer affordable housing |

| Date | Location | Board topic | Sticker added | Input |
|--------|-------------|-------------|---------------|--|
| 22-Jun | Ada Jenkins | Passive | ** | My dot is for communal space - green/play/picnic/relax! |
| 25-Jun | DTH | Passive | | Adaptive playground |
| 25-Jun | DTH | Passive | | Picnic tables around the gymnasium reno would still preserve the open space. |
| 25-Jun | DTH | Passive | | A playground because we love to play while grownups talk. The playground at Summit is too small. (age 5) |
| | | | | |
