

PROPOSED GREY ROAD/PINE INTERSECTION ROAD + CONCORD ROAD INTERSECTION IMPROVEMENT

ABOUT THIS PROJECT

- A realignment of Grey Road and Pine Rd to be closer to 90 degrees will allow better visibility and traffic flow at this busy intersection.
- With the soon to be constructed sidewalk along the north segment of Grey Road this intersection will likely have more pedestrian traffic desiring to cross from Pine to Grey. Normalizing the intersection to a true 90 degrees will enhance pedestrian and vehicle safety.
